31–40	1
41–50	0
51–60	0
Over 60	0

4. Previous Experience with Digital Visitor Tools

No experience	0
Limited experience (used once or twice)	0
Some experience (used 3–5 times)	1
Considerable experience (more than 5 times)	3
Regular usage (frequently uses QR codes, kiosks, or AR guides)	1

5. Ease of Use

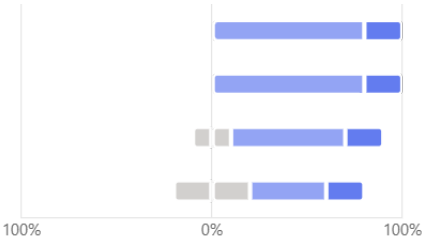

Strong Disagree Disagree Neutral Agree Strongly Agree

The check-in process using QR code or kiosk was easy to understand.

I was able to launch and interact with the AR guide without difficulty.

The interface layout and instructions were clear and well presented.

The checkout process using the 6-digit code was straightforward.

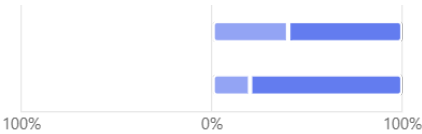

6. Effectiveness and Efficiency

Strongly disagree Disagree Neutral Agree Strongly Agree

I was able to complete the check-in, AR interaction, and checkout process efficiently.

The information shown in the AR guide was relevant and met my expectations.

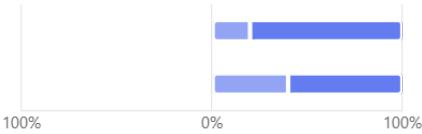

7. Overall Satisfaction

Strongly Disagree Disagree Neutral Agree Strongly agree

Overall, I enjoyed using the check-in and AR guide experience.

I would recommend this digital visitor system to others.
