1. What brought you to Kibble Palace today?
(Allow multiple selections or "Other")

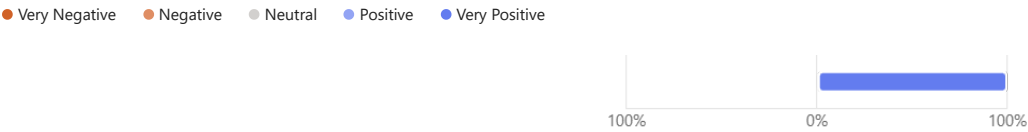

2. When you visit public places like museums or gardens, do you ever come across digital features or tools?

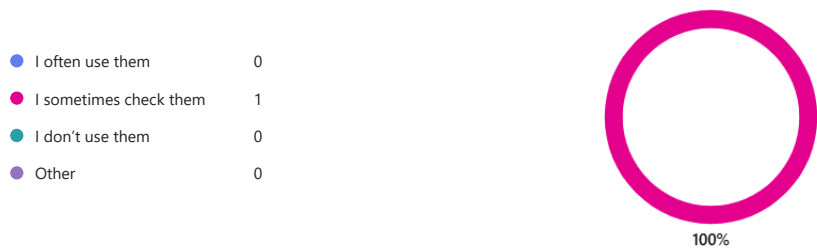

3. If so, what do you usually do with them?"

4. How would you describe your experience overall coming across these digital features or tools?

5. Even if you haven't come across any here, how do you usually feel about optional tools (like guides, boards, or info points) when visiting new places?

6. In general, how do you feel about optional features like signs, guides, or information points when visiting places?
